

Thank you for entering our show ☺ we hope you have a lovely time.

Campers

Pitches will be marked out. The first 2 rows are reserved for judges and ring managers. All units need to have their own means of extinguishing a fire. Please try not to arrive before 12noon on Friday.

Exercise Area

The official exercise area is the area behind the secretary's tent. There are also the woods available for use. Please pick up after your dogs.

Catering

Catering will be available all day Saturday and Sunday by Natasha Bye who is the lady who did the baguettes and Yorkshire pudding dinners at Wallingford.

Helping

As per the schedule, everyone should be available to help for an hour a day. As a thank you to people there will be a small (and I do mean small!) gift for every hour helped. You have been allocated an AM or PM time slot, please go to your ring when you are available.

Your dog's BAA I.D. Number on your ring card is very important. Please retain it for future reference, and use it on future entries to BAA shows. Entries may not be accepted without.
