“TAIL WAGGERS”

Are proud to present a BAA Agility show.

All points gained at this show count towards British Agility Association Promotion, League Tables, TRIOS Challenge and Finals 2011.

Help!!!!

A condition of entering a BAA show brings a requirement that all competitors give some time, to assist at a ring. It is one of the things you are agreeing to when you sign the entry form. If you do not wish to help then please do not enter a BAA show.

All competitors will be allocated a time slot when they will be required to make themselves available at a ring. This will be marked on your ring cards. Each ring will have a Ring Manager who will be responsible for allocating tasks and arranging relief so that all can enjoy their dogs. If everyone does their bit, then no one should need to work more than an hour or so! No one is expected to forgo running their dog in the process of helping.

British “Dog of the Year”

The BAA records all results from all shows and compiles performance league tables in the categories of Introductory, Primary, Novice, Graduate, Masters, Perpetual trophies will be awarded to the leading Agility Dog of the Year at each jump height in each category.

The leading dogs & handlers from the tables will also qualify for the BAA Grand Prix Tournament Finals at the EMDAC August Bank Holiday Weekend show. There will separate Finals for Jumping and Agility. At the Finals show there will be a last chance opportunity for all to qualify for the Grand Prix Finals. Perpetual trophies will also be awarded to the Finals winners.

Points are accumulated for performances from all BAA shows during the season including the Winter Series which count towards qualification for the BAA Grand Prix Finals. There are also Trophies for the leading points scoring dogs that will be presented at the Grand Prix Finals weekend.

Pawsability classes will not be included in the points tables or Grand Prix Finals. No points will be awarded for Pairs, Team, invitation, demonstration or non-scheduled Pay on the Day classes. Points will be awarded in all other scheduled classes unless specifically excluded in the show schedule.

Dogs which currently compete in Grade 4 or above (KC) by virtue of handlers wins with another dog may enter at one level below – PRIMARY.

INITIAL entry levels are:

KC Grade 1 = INTRODUCTORY
KC Grade 2 = PRIMARY
KC Grade 3* = PRIMARY or NOVICE
KC Grade 4 = NOVICE
KC Grade 5* = NOVICE or GRADUATE
KC Grade 6 = GRADUATE
KC Grade 7 = MASTERS

*Grades 3 & 5 have a choice of entry level.

For dogs not jumping their regulation BAA jump height they can be entered in either:

Pawsability - for dogs of any age that for whatever reason are not able to jump at their designated jump height as specified in height definitions. Choice of jump height 9, 13.75 or 17.75ins. No dog in this class will be permitted to jump over 17.75ins. This category is designed for young dogs just starting their agility careers and also for dogs that are returning to agility after a layoff from illness/injury. Dogs can enter this class at any time and when ready, return to their appropriate ability level & jump height. It also gives opportunity for veteran dogs to enter at lower height before fully committing to veteran classes.

NB: where Pawsability classes are not available competitors may enter NFC in other appropriate levels.

Or alternatively:

Veteran – for dogs of 7 years of age and over. Choice of jump height 9, 13.75 or 17.75ins. No veteran dog will be permitted to jump higher than 17.75ins. Once a dog enters BAA Veteran it will be expected to remain there for the remainder of its agility career and will not be permitted in future shows at Introductory, Primary, Novice, Graduate or Masters.

Status for all BAA shows is that effective at 1st October or initial entry level if entering first BAA show after that date. Dogs may retain their status for the entire BAA show season (1st October to September 30th), if the handler wishes.

BAA will keep a record of results during the season. At the end of season the top performing dogs will be promoted to next level, for the following season.

An ‘On Application’ relegation system also operates to allow dogs to move down the levels. For full details of progression system, please refer to ‘BAA Rules for Agility Competitions & the BAA website.
