Help!!!!

A condition of entering a BAA show brings a requirement that all competitors give some time, to assist at a ring. It is one of the things you are agreeing to when you sign the entry form. If you do not wish to help then please do not enter a BAA show.

All competitors will be allocated a time slot when they will be required to make themselves available at a ring. This will be marked on your ring cards. Each ring will have a Ring Manager who will be responsible for allocating tasks and arranging relief so that all can enjoy their dogs. If everyone does their bit, then no one should need to work more than an hour or so! No one is expected to forgo running their dog in the process of helping.

British "Dog of the Year"

The BAA records all results from all shows and compiles performance league tables in the categories of Introductory, Primary, Novice, Graduate, Masters, Perpetual trophies will be awarded to the leading Agility Dog of the Year at each jump height in each category.

The leading dogs & handlers from the tables will also qualify for the BAA Grand Prix Tournament Finals at the EMDAC August Bank Holiday Weekend show. There will separate Finals for Jumping and Agility. At the Finals show there will be a last chance opportunity for all to qualify for the Grand Prix Finals. Perpetual trophies will also be awarded to the Finals winners.

Points are accumulated for performances from all BAA shows during the season including the Winter Series which count towards qualification for the BAA Grand Prix Finals. There are also Trophies for the leading points scoring dogs that will be presented at the Grand Prix Finals weekend.

Pawsability classes will not be included in the points tables or Grand Prix Finals. No points will be awarded for Pairs, Team, invitation, demonstration or non-scheduled Pay on the Day classes. Points will be awarded in all other scheduled classes unless specifically excluded in the show schedule.

Other BAA Leagues include:

British Agility Association Rules for Agility Competitions apply to these events. Copies of full show and competition rules available on request on entry form cost £1.00 (Please include an A5 sae) or from the BAA website. www.baa.uk.net

The Major differences are:

- Reviewed dog heights & Dog weight to Height ratio.
- 4 jump heights with option of veterans etc: to jump at lower jump height. Maximum permitted jump height is 24 ins.
- Dogs (with less than six wins in a season) may retain their status for the entire show year
- Up contacts of contact obstacles will not be marked.
- There will be no tyre obstacle in any class.
- In Introductory classes, refusals are not marked, **except at the weaves**, and handlers may carry a silent toy in the ring.
- Lower Dog-Walk & A Frame in Veterans. Maximum 5 ft A Frame in other levels.
- No training allowed on the course either before or whilst under test.
- Training aides are not permitted either in or around the rings.

Any dog and handler is eligible to enter BAA shows (though there are some restrictions at the August Bank Holiday Finals Weekend Show). No membership fee or dog registration fee is required. All dogs are automatically registered into the BAA database free of charge when you enter your first BAA show. Your dog will be allocated a BAA registration number which will be on your ring card. **Please make a note of this number and use it on all future BAA show entries** as it greatly assists in processing your entries, and ensures your league points tallies are maintained correctly. (Once registered, failure to include the BAA number on the entry form will incur a £2 per dog administration fee payable to EMDAC)

Dogs/handlers that compete under other organisations are required to make INITIAL entry to BAA shows at the appropriate level as follows:

Dogs which currently compete in Grade 4 or above (KC) by virtue of handlers wins with another dog may enter at one level below – PRIMARY.

INITIAL entry levels are:

KC Grade 1	= INTRODUCTORY
KC Grade 2	= PRIMARY
KC Grade 3*	= PRIMARY or NOVICE
KC Grade 4	= NOVICE
KC Grade 5*	= NOVICE or GRADUATE
KC Grade 6	= GRADUATE
KC Grade 7	= MASTERS

*Grades 3 & 5 have a choice of entry level.

For dogs not jumping their regulation BAA jump height they can be entered in either:

Pawsability - for dogs of any age that for whatever reason are not able to jump at their designated jump height as specified in height definitions. Choice of jump height 9, 13.75 or 17.75ins. No dog in this class will be permitted to jump over 17.75ins. This category is designed for young dogs just starting their agility careers and also for dogs that are returning to agility after a layoff from illness/injury. Dogs can enter this class at any time and when ready, return to their appropriate ability level & jump height. It also gives opportunity for veteran dogs to enter at lower height before fully committing to veteran classes.

NB: where Pawsability classes are not available competitors may enter NFC in other appropriate levels.

Or alternatively:

Veteran – for dogs of 7 years of age and over. Choice of jump height 9, 13.75 or 17.75ins. No veteran dog will be permitted to jump higher than 17.75ins. Once a dog enters BAA Veteran it will be expected to remain there for the remainder of its agility career and will not be permitted in future shows at Introductory, Primary, Novice, Graduate or Masters.

Status for all BAA shows is that effective at 1st October or initial entry level if entering first BAA show after that date. Dogs may retain their status for the entire BAA show season (1st October to September 30th), if the handler wishes. BAA will keep a record of results during the season. At the end of season the top performing dogs will be promoted to next level, for the following season.

An 'On Application' relegation system also operates to allow dogs to move down the levels. For full details of progression system, please refer to 'BAA Rules for Agility Competitions & the BAA website.

A dog may be entered in ONE height category only, Micro, Mini, Medium or Maxi

Please check definitions below – you may find your dog is eligible at a different height category than you compete elsewhere. You may also have a choice of height category.

Please specify jump height category on the entry form.

Level Classification A dog may be entered in the *Designated* level only, and must be specified in the appropriate box for each dog on the entry form. Levels are:- Introductory, Primary, Novice, Graduate, Masters & Veteran.

If you enter at a jump height less than in the size definitions above, you must enter Pawsability where available or otherwise NFC.

ON THE ENTRY FORM YOU MUST SPECIFY YOUR DOGS BAA REGISTRATION NUMBER (failure to include this for pre registered dogs will incur a £2 per dog Admin fee) – this ensures that your dog is entered at its correct level and it also ensures that your points tally is maintained correctly throughout the year.
